

# Refresh Colombo

## Introducing Refresh Colombo

### What is Refresh Colombo?

Refresh Colombo is a community of web and technology enthusiasts/professionals who come together on a monthly basis to share ideas and meet like minded individuals.

Refresh Colombo events are open to the public. We encourage you to bring a friend or two. Hackers, bloggers, coders, geeks & geek lovers, journalists, techies, entrepreneurs and venture capitalists are all welcome - you can even bring your grandma.

### This month's presentations :

**"First Look at MongoDB"** by Dinesh Asanka / Susantha Bathige

*The session will introduce all the features of MongoDB.*

**"Social Media Beyond Marketing"** by Thushara Hettihamu

*The use of Social media as a tool for empowerment, information dissemination and public relations.*

**"Future of Web Apps"** by Lakshan Perera

*Dreaming to turn your exciting idea to a usable, scalable & buzz-word compatible web app? Then this talk is for you!*

**"Mobile Trends: From Symbian to Android"** by Thejo Siva

*How a vibrating brick in our pockets became an amazing computing platform.*

#### WHEN

**Thursday, 28th July 2011**

**AT 5.30PM**

#### WHERE

**Royal College Union Skills Centre**

Rajakeeya Mawatha, Colombo 7, Sri Lanka.
